Eastern Washington's Chapter of the Institute of Management Accountants (IMA)

2 hours of Continuing Professional Education (CPE) credit

Saturday, October 24, 2009 - US DOE William R Wiley Environmental Molecular Sciences
Laboratory (EMSL), 3335 Q Avenue, Richland, WA 99352

Directions from Pasco: driving on highway 182 through North Pasco into Richland, take the ByPass highway toward Highway 240 and the Hanford Site. Continue straight on it as it merges into Stevens Drive. Take a right at the light onto Battelle Blvd. Turn left on Q Avenue (3rd/last left turn before traffic light on George Washington Way). Take the 3rd or 4th left into the EMSL parking lot (just South of the EMSL building).

An alternative route if you travel through Richland on George Washington Way, travel North until you reach the last traffic light which is on Battelle Blvd. Turn left, then take the 1st right onto Q Avenue. Then the 3rd or 4th left into the EMSL parking lot.

Park and enter on the South-East side of the EMSL building (just off Q Avenue).

Wear walking shoes and clothing for short walks outside.

Hotel: The Guest House at PNNL is a couple hundred yard walk to EMSL. Hotel room is \$70, or multi-room suite is \$35, both plus 10.3% tax. Note "IMA" so get rate and same multi-room suite. Travelers should make reservations ASAP by call or e-mail to Amy Stephens at 509-943-0400, amy@paragoncorporatehousing.com, or on-line at <http://www.pnl.gov/guesthouse/> (with directions link).
